

Liberty Glass Fabricators, Inc.

Limited Warranty

### **TEMPERED GLASS**

Subject to the following terms and conditions, Liberty Glass Fabricators, Inc., provides to our customer a **LIMITED WARRANTY** for a period of ONE (1) YEAR from the date of fabrication. Liberty Glass Fab. Warrants that the FULLY TEMPERED GLASS shall meet, in all material respects, the requirements of the version of ASTM C 1048 in effect on the date of fabrication. **Any glass replaced under the terms of this warranty, shall be warranted only for the balance of the original warranty period.**

#### **THE LIBERTY GLASS WARRANTY IS AS STATED, AND DOES NOT EXTEND TO:**

**Fully Tempered Glass that has been modified in any way after its sale;** Fully Tempered Glass that has been broken or Fully Tempered Glass that has not been installed in a workmanlike manner and glazed in accordance with the GANA "Glazing Manual". **Liberty Glass does not warrant any glass against breakage from any cause.**

The appearance of Fully Tempered Glass is subject to distortion caused by the heating and cooling cycles that produce the increased strength and thermal endurance. In addition to this distortion, Fully Tempered Glass may show a "strain pattern" from the quenching process when it is viewed under fully or partially polarized light, meaning without direct sunlight or with background light suitable for observing each type of blemish(s)/characteristic(s). These visual characteristics are not effects and cannot be eliminated.

Liberty Glass Fabricators will not be liable for any direct, indirect, incidental, punitive, consequential, and exemplary or other damages of any kind whatsoever, other than direct damages based on Liberty Glass's failure to honor its "repair or replacement" obligations set forth, whether such claim is based on theories of contract, warranty, negligence, tort, strict liability or otherwise.

This warranty is in lieu of any and all other warranties express or implied, including, without limitation, any implied warranty of merchantability or fitness for a particular purpose.
